

# QUALITY POLICY

---

With 10 years of experience, Space Solar Service Pty Ltd (Space Solar) has successfully created a lasting image on the minds of residential and commercial property owners with new and improved solar power solutions Australia wide.

As a full-service renewable energy company, we offer a reliable solar installation that includes a high-end solar power system with modern and customised designs.

Our experienced solar energy team has performed thousands of solar installations for residential and commercial properties across Australia.

Management has set quality objectives, which will be achieved by ensuring that all our operations and activities are carried out consistently, and are regularly monitored and recorded. To ensure this, the company has developed and implemented a Quality Management System that complies with the ISO 9001:2015 standard.

The Quality Management System is defined in documented management procedures, which provide clear standards and guidelines in all the appropriate areas of the company's activities.

Space Solar's management is committed to:

- ✓ Implementing and continually improving the effectiveness of the ISO 9001 Quality Management Systems
- ✓ Documenting and measuring quality objectives through internal audit and management reviews
- ✓ Using the disciplines of ISO 9001 to develop and maintain the processes needed to provide a level of service of a consistent standard of quality and at competitive cost
- ✓ Fostering good relationships with clients by effective communications with them and encouraging feedback
- ✓ Satisfying all applicable requirements
- ✓ Valuing our people, our most important asset
- ✓ Ongoing training of staff where required
- ✓ Ensuring that every employee constantly aims to improve the overall quality of Space Solar's products and services in line with the requirements of our ISO 9001 Quality Management System.

By adopting this philosophy, the clients of Space Solar will be assured of an excellent standard of service in accordance their requirements.

Every staff member has the responsibility to ensure that the intentions of this policy statement are understood, applied and maintained within their own activity area

Management has the ultimate responsibility to maintain the ISO 9001 Quality Management System and will promote all initiatives and regularly review the system in order to maintain its suitability and effectiveness.
